

HOW TO HOST A CLOTHING DRIVE

Guidelines & Tools

About Beverly Bootstraps

Beverly Bootstraps provides critical resources to families and individuals so they may achieve self-sufficiency. We offer emergency and long-term assistance including: access to food, housing stability, adult and youth education, counseling and advocacy. We are community funded and supported.

How your Clothing Drive Helps

By hosting a clothing drive to benefit Beverly Bootstraps, you will be helping supply the clothing needed to stock the shelves of the Thrift Shop. Not only does the Thrift Shop provide low cost clothing and housewares to those in need in our community, but it is also open to every member of our community to enjoy a good bargain. Beverly Bootstraps often gives Thrift Shop vouchers to our clients who are in dire need and has helped families displaced from fires or a change in their home lives get re-situated with everyday household needs. We depend completely on donations from the community to keep the Thrift Shop stocked. As the need within our community continues to grow, we need your continued donations to ensure we can continue to help. Profits from the Thrift Shop go directly to Beverly Bootstraps programs and services and allow us to operate our Food Assistance Program, Adult Education, Youth and Family Services and Client Support.

Clothing Drive Themes

Some fun themes for Clothing Drives are:

- **Specific Item Drive:** Pick one category of item that the Thrift Shop sells and do a specific drive, such as a jewelry drive, a footwear drive, a housewares drive, a decorative items drive, or an in-season accessory drive. Note in the Items Being Collected section of the poster provided in this kit, exactly what type of items you're collecting.
- **Party with a Purpose:** Looking for a reason to host a cocktail party? Consider hosting one to support Beverly Bootstraps. You invite the guests and provide food and cocktails of your choosing. Just let guests know that admission to the party is a bag of used clothes. Then call our office and we can provide you with materials about Beverly Bootstraps. You then collect the donations and bring them to the Thrift Shop.
- **Denim Days:** This is one of the easiest and most effective ways to hold a drive in a workplace. Employees can donate used clothes in exchange for dressing down for a day. Give every employee who participates a sticker so they can show their support. Place a

sign in the reception area announcing the Denim Day to alert clients and visitors as to why employees are dressed down.

- **Ice Cream Social:** Employees/students give used clothing for all the scrumptious ice cream and toppings their stomachs can hold.
- **Movie Night:** This is a great idea for schools or kids groups. Pick the latest big hit movie and come watch a movie for a good cause. Ask for a donation of used clothing to see the movie. (You could also sell popcorn for \$1 a bucket of popcorn and donate those funds as well).
- **Game Night/Lunch:** Host a game night or lunch party with your friends and/or co-workers. Whether it is Bunco, Euchre, Poker or your favorite board game, this is bound to be an evening of fun. The host provides refreshments (or do a potluck) and prizes, if you wish. Then each guest will bring a donation of a bag of used clothes as their entry fee to the party.
- **Washing for Wardrobes:** Have a car wash. Charge a bag of used clothes per car to be donated to the Thrift Shop.
- **Spring Cleaning:** Schedule your clothing drive for early spring when most people are putting away the winter clothes and switching over to their spring/summer clothes. Encourage people to donate any of the spring clothes they find that no longer fit.
- **Winter Warmer:** Schedule your clothing drive for late fall and request warm sweaters, winter coats, hats, gloves, scarves, etc.
- **Boxers for Bootstraps:** Something that people often forget about but are necessary clothing items are socks and underwear. Ask people to donate **new unopened** packages of underwear and socks to your clothing drive.
- You can also call the Thrift Shop at 978-921-4710 to discuss more ideas.

Items we do NOT accept

It is important to follow our donation guidelines. When we receive items that are not in sellable condition, it actually costs Beverly Bootstraps money in staff time and extra trash fees to dispose of them.
