

Donate to the Thrift Shop

Good, quality donations are essential to the fund-raising efforts of the Thrift Shop. The revenue generated from the sale of your donations impacts the funding of our important (and much-needed) programs. Thank you for reaching out to us to learn more about donating resalable home goods, clothing and accessories, furniture and more.

Donations may be dropped at The Thrift Shop during business hours. We do ask that you come at least a half hour before closing in order that we can get your donations into the shop in a timely, un-rushed manner.

No, please, we cannot accept these items:

Please, take into consideration the condition of your donations. We can ONLY put in the shop those items that are in good, workable condition. Many of our customers and clients are looking to set up their first apartment or home; therefore, we strive to offer them the best of the best of our donations. If we receive unsalable goods, we must pay to dispose of the items which impacts our ability to fund programs. Please, no stains, rips, pet damage, smoke or mothball smell, mildew or mold, items that are in disrepair, or broken goods. If you have reached out to other Thrift Shops and they were unable to accept your donation, we will, most likely, be unable to accept them as well.
