

SUMMER FOOD PROGRAM

Do you need extra food this summer while your kids are out of school?

The Beverly Bootstraps Food Pantry has in effect been running the Summer Food Program since March 18th. We will continue to offer all Beverly and Manchester families with school age children (K-12) the opportunity to access more food by coming once a week to the Food Pantry instead of every other week through late August.

Food Pantry Hours:

Monday and Thursday, 10am-2pm

Tuesday, 2pm-6pm

Wednesday, 10am-6pm

No pre-registration is required - just bring children's birth certificate, Social Security card, or report card as well as current proof of residency (piece of mail addressed to you within the last 2 weeks). If you are new to the Food Pantry, you will be asked to fill out an abbreviated intake form.

Learn about all the programs you may qualify for including the Back-to-School Bonanza backpack program and more by contacting a Case Manager by filling out our form here: <https://form.jotform.com/200727212739958> or calling 978-927-1561.
