

# KIDS FOOD PROGRAM

**We will be continuing once a week Food Pantry visits for families through the end of the year.**

We will continue to offer all Beverly and Manchester families with school age children (K-12) the opportunity to access more food by coming once a week to the Food Pantry instead of every other week through at least the end of the year. And since that's no longer Summer, we thought we should start calling this the "Family" Food Program!

## **Food Pantry Hours:**

Monday and Thursday, 10am-2pm

Tuesday, 2pm-6pm

Wednesday, 10am-6pm

**No pre-registration is required** - just bring children's birth certificate, Social Security card, or report card as well as current proof of residency (piece of mail addressed to you within the last 2 weeks). If you are new to the Food Pantry, you will be asked to fill out an abbreviated intake form.

**Learn about all the programs** you may qualify for including the Adopt-a-Family holiday gift program and more by contacting a Case Manager by filling out our form here: <https://form.jotform.com/200727212739958> or calling 978-927-1561.
